Supplemental Response to Restriction Requirement/Election of Species

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is responsive to the Official Action mailed on August 8, 2002, which set a one month period for response.

The Office states that Applicants' response to the restriction requirement mailed on March 26, 2002 was non-responsive. Accordingly, Applicants restate for the record that they provisionally elect Figure 1 of the present application with traversal. For clarification, it is Applicants' understanding that claims 1 - 13 read on the embodiment depicted in Figure 1 and therefore provisionally elect with traversal these claims for examination.

Respectfully submitted,
David E. Wilson, et al.
